

Try clicking the different buttons on the software:

Describe what you notice.

Write down some mathematical problems that occur to you.

Now try to solve one problem!

Dance Moves

Beats of music:

Start again

Partner swing

Circle right

Diagonal swing

The software interface for 'Dance Moves' features a central illustration of four children in a circle holding hands. To the right, there is a metronome icon, a text input field for 'Beats of music' set to '10', a 'Start again' button, and three colored buttons: 'Partner swing' (blue), 'Circle right' (red), and 'Diagonal swing' (green).
